

# OPNFV SUMMIT

JUNE 2017 | BEIJING, CHINA

# TSC composition

June 13, 2017

# Outline

- Move to purely elected TSC over a year
- Committers choose the TSC
- TSC size will be 15

# Next steps

# Platinum members

- Current platinum members nominate candidates
- Project committers vote 7 TSC members from platinum members
- Elected for 1 year

# Community TSC members

- All "active OPNFV members" can self nominate
- The nomination must include evidence of being active in some OPNFV project
- Project committers each have one vote and vote for 8 TSC community members
- These members are elected for two years

## Community members, part two

- One year on, the platinum TSC members are replaced by community TSC members as earlier

# Summary

- Roughly half of TSC is elected every year and serve for two years
- Still, no more than two TSC members can be from the same company
