Marketing Update

July 9, 2019

Hunter Launch 8.1

Hunter 8.1 Marketing Release Today at 9:00 AM PT

- Updating the Software Downloads page
- To be featured in the next LFN Newsletter

Messaging

- OPNFV Messaging, revamped in Q1, was updated on the website and in our materials with the launch of Hunter 8.0
- During the OPNFV Iruya Release in Q4, we will update the OPNFV Training Course and the OPNFV eBook
- LFN Messaging, developed by a Task force of the MAC, has been reviewed by the EUAG and will be presented to the LFN Board next week (7/17/19)

Dublin / OVP / CNTT Update

- Dublin, the 4th release of ONAP, goes live today at 9:00 AM PT
- Adding a “Software” page like OPNFV:
<https://www.onap.org/software>
- Includes ONAP’s integration with OVP for VNF testing
- Second CNTT F2F Meeting taking place in 7/23 – 7/25 in Chatillon, France. Thank you Orange! Multiple Sessions on OPNFV Verification Program (OVP)
