

VSPERF Documentation

Danube documentation review tracking

An easy way to see how the doc files are organized and view files ... <https://git.opnfv.org/vswitchperf/tree/docs>

Either edit files directly and push a patch (preferred) or send your comments/edits to [Trevor Cooper](#)

Section	File / location	Reviewer/s	Checked content	Checked formatting, grammar, ...
Installation	https://git.opnfv.org/vswitchperf/tree/docs/configguide/installation.rst	Mars Toktonaliev	Yes	Yes.
Traffic Gen Guide	https://git.opnfv.org/vswitchperf/tree/docs/configguide/trafficgen.rst	Christian Trautman Martin Klozik (Ixia & Dummy)	Yes Yes	Yes Yes
Upgrading vswitchperf	https://git.opnfv.org/vswitchperf/tree/docs/configguide/upgrade.rst	Martin Klozik	Yes	Yes
Traffic Gen Integration Guide	https://git.opnfv.org/vswitchperf/tree/docs/design/trafficgen_integration_guide.rst	Trevor Cooper		
Design Document	https://git.opnfv.org/vswitchperf/tree/docs/design/vswitchperf_design.rst	Al Morton	I see some problems needing fix, primarily related to the Pod re-assignment. 3/23 Fixed POD refs and updated to stable ... Trevor Cooper	
Release Notes	https://git.opnfv.org/vswitchperf/tree/docs/release/release-notes/vsperf-release.rst	Trevor Cooper	Yes	Yes
Test Design	https://git.opnfv.org/vswitchperf/tree/docs/requirements/vswitchperf_ltd.rst			
Test Plan	https://git.opnfv.org/vswitchperf/tree/docs/requirements/vswitchperf_ltp.rst	Trevor Cooper		
Integration tests	https://git.opnfv.org/vswitchperf/tree/docs/userguide/integration.rst	Martin Klozik	Yes	Yes
Step driven tests	https://git.opnfv.org/vswitchperf/tree/docs/userguide/teststeps.rst	Martin Klozik	Yes	Yes
Test user guide	https://git.opnfv.org/vswitchperf/tree/docs/userguide/testusage.rst	Christian Trautman	Yes	Yes
Execution with Yardstick	https://git.opnfv.org/vswitchperf/tree/docs/userguide/yardstick.rst	Trevor Cooper		

Danube test documentation organization

Proposal for organizing all documentation in test projects for "user" and "developer".

This is the currently proposed way of organizing vsperf documentation content ...

docs/release/release-notes/vsperf-release.rst (NEWS content here)

docs/index.rst (project description)

docs/msc

docs/testing/developer/devguide/index.rst

docs/testing/developer/devguide/design

- trafficgen_integration_guide
- vswitchperf_design

docs/testing/developer/devguide/requirements

- ietf_draft
 - *.xml
- vswitchperf_ltd
- vswitchperf_ltp

docs/testing/user/configguide/index.rst

- installation
- trafficgen
- upgrade

docs/testing/user/userguide/index.rst

- integration
- teststeps
- testusage
- yardstick

docs/testing/user/results/index.rst

- results
- scenario

Colorado vsperf documentation was organized as follows ...

configguide

- installation
- trafficgen
- upgrade

design

- trafficgen_integration_guide
- vswitchperf_design

index.rst

msc

release

- NEWS

requirements

- ietf_draft
 - *.xml
- vswitchperf_ltd
- vswitchperf_ltp

results

- results
- scenario

userguide

- integration
 - teststeps
 - testusage
 - yardstick
-
