Ed (Cisco) requested to postpone it to March 31.

Team discussed several miscellaneous items.

Bryan shared some information of MANO Meetup this week. Half of OPNFV member companies attended this meetup. There are lots of good presentations covering s/w support catalog, generic passing functions e.g. TOSCA, workflow engine, etc. Those areas need convergence. Note: Bryan shared his detailed [Report of MANO Meet-up](#) after the meeting.

Bryan also suggested coalescing projects that have common area of interest. Note: Bryan initiated discussion of [Coalescing Project Meetings around Themes](#) after the meeting.

Meeting adjourned.
